About EDRM at Duke Law

EDRM is a community of e-discovery and legal professionals who create practical resources to improve e-discovery and information governance. As technology radically transforms litigation and the legal profession, EDRM members collaboratively develop vital frameworks, standards, educational tools, and other resources to guide the adoption and use of e-discovery technologies. The Electronic Discovery Reference Model developed by EDRM has become an industry icon and the foundation for understanding e-discovery processes. Information on membership is available at EDRM.net/join.
